

*NATHAN MIERSKI*  
*PORTFOLIO*

# Web Design

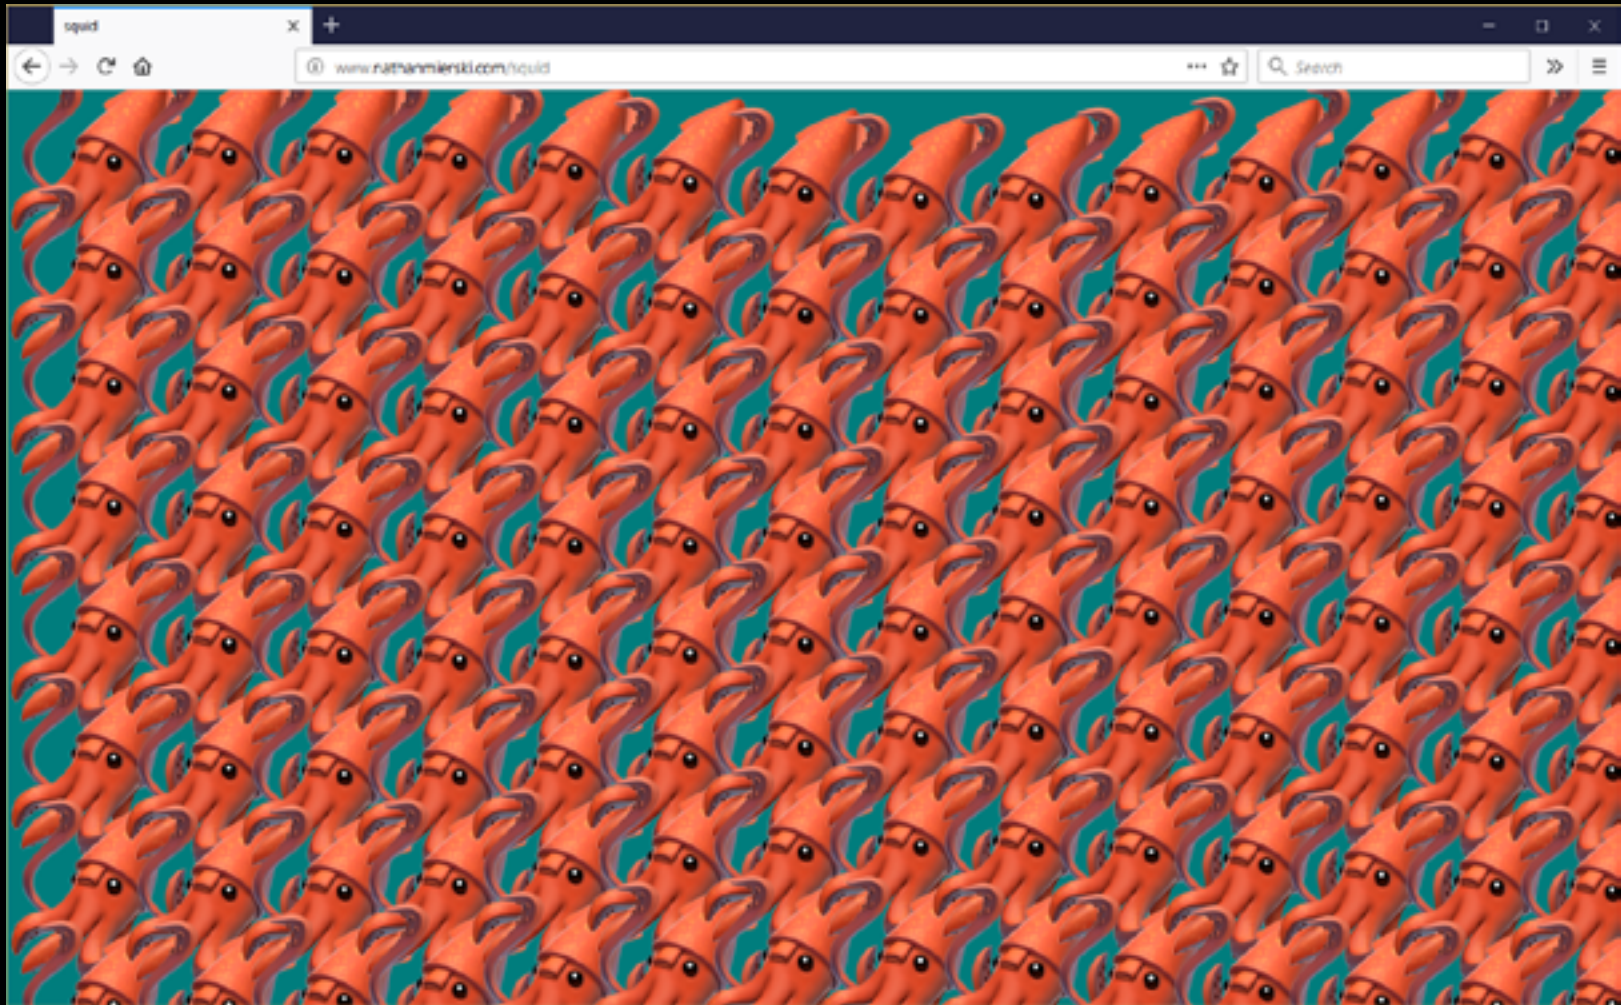

nathanmierski.com/body

Tour of my real life human body. Built in HTML and CSS

[nathanmierski.com/poll](http://nathanmierski.com/poll)

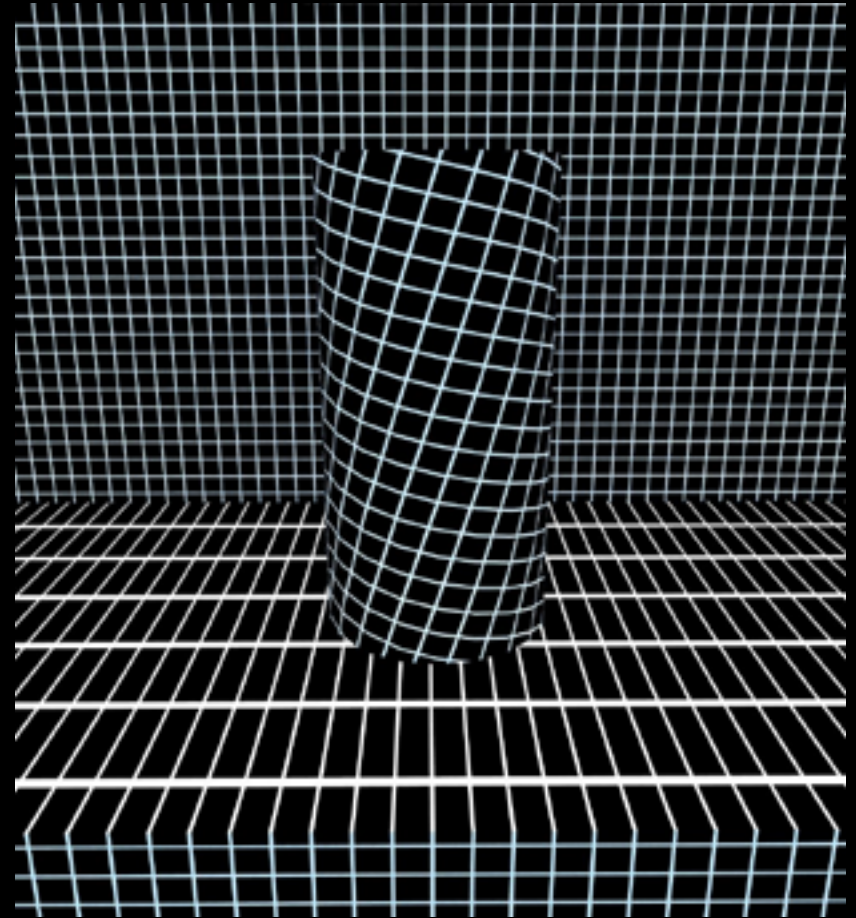

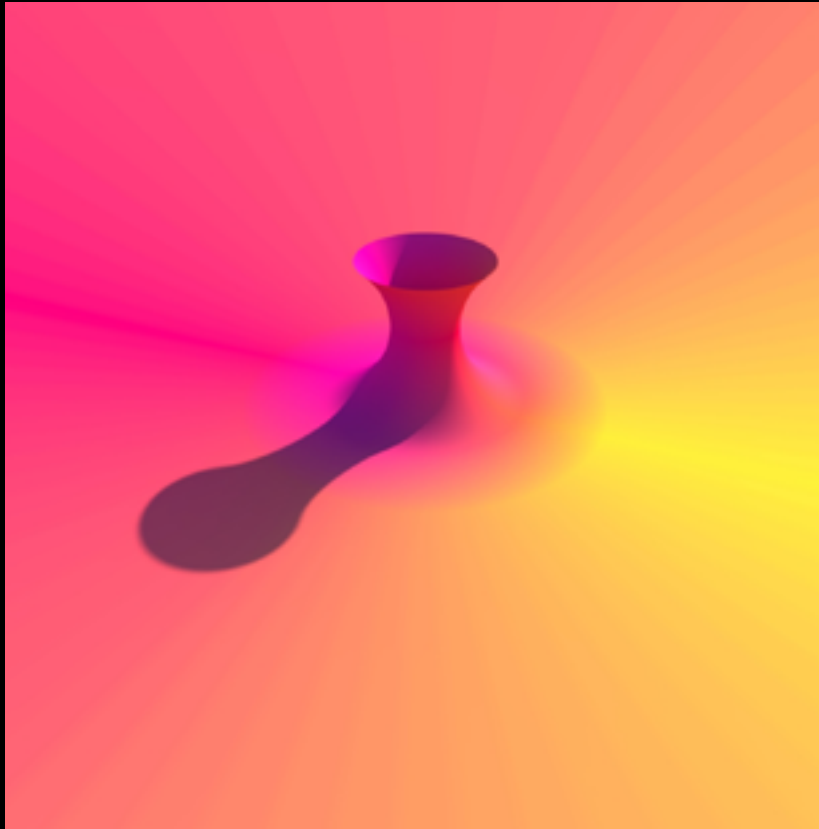

The end of all buzzfeed and personality quizzes. HTML and JQuery

[nathanmierski.com/squid](http://nathanmierski.com/squid)

Just a real pleasant squid party. What more do you need. P5.js

# *Visual Work*

[instagram.com/spiderrumor](https://www.instagram.com/spiderrumor)

Variety of pieces largely dealing with gradients. Maya/Illustrator/Photoshop

Far Out

Beyond the bright cartoons  
Are darker spaces where  
Small cloudy nests of stars  
Seem to float on the air

Goodnight World

Goodnight World  
Your toils I flee  
Send no impetunate  
Messengers after me  
Days I resign  
Night leave to you  
You will come too  
Too true, too true!
